## BIG CELEBRATION FOR AMERICAN FORK

**Good Parade, Excellent Program  
Horse Races, Foot Races—  
Base Ball and Other Sports.**

That the Fourth July celebration in American Fork this year will be one of the best ever attempted is now assured. The committees met Thursday evening to make reports as to the progress they were making with. The reports were more than encouraging which has stimulated each one to work the more that each part will excel the other. The day will open with cannonading and music and until midnight of the Fourth there will be something doing, such is the arrangement now underway.

Hoisting of the flag at sunrise accompanied by the stirring music by the American Fork Silver Band will announce Independence day.

The cannonading under the direction of Capt. Jas. Blood and music by the band will continue until 7:30 a. m.

Formation for parade on First west street at 8:30.

Parade starts at 9 o'clock, marching and counter-marching on the principal streets, under the direction of Marshal of the day, S. W. Chipman and his aids T. B. Parker and Jesse Green.

**HORSE RACES AND GAMES.**

The horse races and games will be pulled off at the City Park, the building of the track on the bench having been abandoned. T. J. Chipman, head of the horse race committee has already secured two three heat racing races and ten good running races. Read on there will be several boys pony races. A large force of men are at work and by Thursday of next week the track (full half mile circle) will be in good shape. Some good cash prizes will be given.

The base ball will be between Springville and American Fork.

The program of foot races and other sports was not completed at a late hour yesterday, but there will be some good events, including a relay race of half a mile.

There will be a children's dance at the Apollo during the afternoon sports. A grand ball in the Apollo will conclude the day's festivities.

The people of outside towns are invited to join in this celebration. Come and enjoy the day. There will be sports and attractions galore. Both railroads will make single fare rates to American Fork July 3rd and 4th good returning July 6th.

### Mirthmakers Enjoy Camp Party

On Wednesday evening the Mirthmakers and their friends enjoyed a merry evening under the old cottonwood trees south of town. Two large camp fires, and a delicious lunch spread upon the grass served to make a realistic scene of camp life. Every one present took on the spirit of frolic, fun and freedom in the open air. The Snider sisters served coffee during the lunch which let strength to the appetites of the jolly crowd. After the party broke camp Mr. and Mrs. John Snider took them through their beautiful garden of roses by lantern light and gave each member of the party a large cluster of the fragrant blossoms. The evening was certainly one long to be remembered by the lovers of nature. The Mirthmakers will meet next Thursday with Mrs. Ellis Preston.

### Minors And The Growler

The last legislature repealed the state law whereby the saloons could sell liquor to a minor or allow them in the saloon when they had an order from their parents or guardian.

We are informed the peace officers of American Fork have been instructed to enforce this law to the letter. By sending a minor to the saloon for liquor you are laying yourself and proprietor of the house liable to arrest, fine and imprisonment.

Robt. Lee will celebrate the second anniversary of his temperance pledge in an outing in American Fork canyon tomorrow. Robt was one of the worst booze fighters one could expect to meet until June 25th, 1905 when by force of will he asked Francis Tyng to take him to the canyon that he might get away from whiskey. He was a physical wreck but there was still strength to make this effort an effort that only a confirmed drinker 20 years standing can understand. For two years he has not taken a drink of intoxicating liquor and at the same time he has been able to work in supporting himself and others. We know of some others that should take a similar step.

## THE GLORIOUS FOURTH AT PLEASANT GROVE

Pleasant Grove, Lindon and Man'a will celebrate the glorious Fourth July together. One of the biggest celebrations Pleasant Grove has ever had is being planned. The following executive committee are receiving the hearty support of the combined people of the three wards: Jas. D. Thorne, C. F. Westphall, F. S. Humphries, E. R. Halliday, Marteen Larson, Miss Amy Rosea, Miss Emma Larson, Richard Wadley, Benj. Walker and Albert Culmore. Each one of this committee acts as chairman of the other various committees.

The committees met last night to submit reports. The parade beginning at 9 a. m. will be represented by all the business and mechanics trades in the three wards, every one is interested and will make the parade a good one.

The morning program in the grove will commence at 11 o'clock, as follows:

Selection by Band.  
Prayer by Chaplain, Wm. L. Hayes.  
Star Spangle Banner—Mrs. Edith Monson.

Declaration of Independence—Curtis Larson.

Selection by Band.

Orator—Wm. E. Rydahl of Provo.

Solo—May Richards.

**AFTERNOON PROGRAM 2 P. M.**

Music by Band.

America—Congregation.

Prayer by Chaplain.

Music by Band.

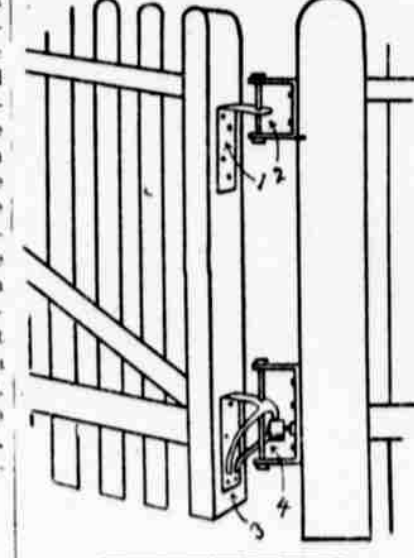

**GAMES AND SPORTS 3:30 P. M.**

The committee on games and sports will offer various attractions in horse races, foot races and games. Some good prizes will be given.

The day will conclude with a grand ball in Clark's hall.

### A Successful Invention

Vern Dunn of Provo spent Thursday here and at Lehi calling on old friends. His "Perfection Gate Hinge," one of his latest inventions is proving a great success—the only trouble is getting them manufactured fast enough to supply the demand. The hinge is a simple contrivance is most successful inventions are but it gets the real a looked for it will certainly close the gate every time—We always did think J. V. would ride in his own gasoline wagon. The workings of the hinge is shown in the following illustration.

This town has a few destructive young toughs who it seems delight in their cunningness. We refer to boys who break down young cherry trees, trample up strawberry beds and break up fences, destroying property that cost many dollars and long years of toil, just to satisfy their appetites for fruit they could buy for five or ten cents or that could be got for nothing were they to ask the owners of the fruit. We know the names of some of these youngsters, and believe their parents would be surprised and shocked if we were to publish them. Is your boy chasing the streets at night and whose company are they in are questions for every home in American Fork where boys reside.

We overlooked mentioning last week the return home of Elder Geo. Heber Hanson from Philadelphia where, owing to the attack of typhoid fever he was compelled to give up his work. He was accompanied home by Dr. James S. Hickey, the doctor who took such an interest in him during his recent sickness. Mr. Hickey is enjoying a short vacation from his practice, he is much taken up with our mountains and their health giving breezes.

### A Reminder.

F. M. "Neighbor" Brown is now located in his own drug store—T. E. Steele's old stand east of the American Fork Co-op. He makes a specialty of doctors prescription and family receipts.

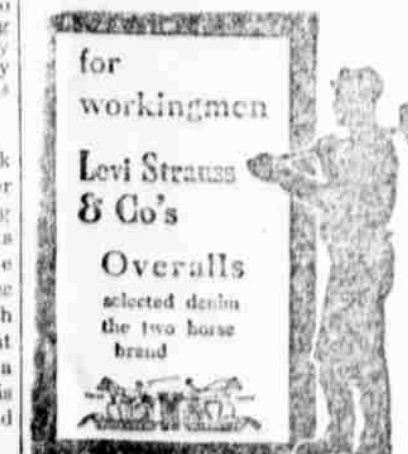

### Higher Telephone Rates.

We are informed that the telephone company has raised the rates here for phones. The new schedule raises the annual rent from \$35 to \$42 on business phones; from \$24 to \$30 on individual residence phones, and from \$18 to \$24 on combination residence phones. The Wasatch Wave.

### The Best Coal.

The Independent Coal and Coal is the best produced in Utah, always in stock at the American Fork Co-op. Order to-day.

It is said that on account of the great altitude of Denver, where water boils at 198 degrees instead of 212 as at conservative levels, two drinks of whiskey are as effective as six drinks at lower altitudes. Nevertheless it is inferred that the pink flask will not go any further during the Democratic Convention than would the ranquidity in Kentucky.

## FURNITURE DEPARTMENT

As announced some time ago, the steady growth in our Furniture department made it necessary for us to close out the Meat Market. The alterations have been made, the Furniture room space doubled, giving us ample room to handle the increased trade, at lower prices.

## PRESCRIPTIONS.

Filling prescriptions is not merely making drugs—A child can do that. It involves a knowledge of the human body, its physical and chemical properties, diseases, and other points, which can only be obtained by practical experience. We have spent time in the study of professional men to learn how to fill prescriptions. The doctors know this and are pleased when you send your prescriptions here—they know they get what they order.

We have filled more than 4000 prescriptions, and not one mistake—Is this enough to convince you?

Our store stands second to none in Utah County—Let fill your prescriptions.

## RAINY DAYS

Come to everybody. Life has more ups than downs. Right now, while you are making you ought to be saving, then when the downs come you will have something to fall back upon.

Where is the money you have been earning all these years? You spent it and somebody else put it in the bank. Why don't you put your own money in the bank for yourself—why let the other fellow save what you earn?
